**REQUEST FOR EXTENSION OF
TIME TO FILE REQUEST FOR REVIEW**

The Petitioner, International Union, UAW, and its Local 1313, hereby request a brief extension of time to file a Request for Review in the above-captioned case. These are the reasons for the request:

1. Petitioner International Union represented two groups of employees at the Employer, one composed of production and maintenance employees, and one composed of plant clerical employees. The plant clerical unit dwindled to one person, and the Employer withdrew recognition from the unit. The Union then filed an RC petition to determine whether the plant clerical employee wished to be included in the production and maintenance unit. The Employer contested the petition, arguing that it was inappropriate. The Regional Director dismissed the Petition.

2. The case raises interesting and novel issues regarding the appropriateness of bargaining units and Board procedure regarding residual groups of employees.

3. The Request for Review in this case is due on March 6, 2008. Counsel has a professional conference from March 4 to March 7, 2008. Thus, he has not had sufficient time to complete the Request for Review. Accordingly, the petitioner seeks an additional seven days to file the Request, until March 13, 2008.

4. Counsel has consulted with opposing counsel in this case and informed him of the substance of this Motion. He does not oppose it.

WHEREFORE, the Petitioner seeks an additional seven days to file the Request for Review in this case.

Respectfully submitted,
